

ACE INTERNATIONAL ACADEMY

2 October, 2020

Dear Parents,

I would like to welcome all the students and parents back to school and the new academic year. I also extend a warm word of welcome to the students and parents who have joined the ACEIA family this year, We hope that your journey with us will be a long and fruitful one. It has been a very long time since we were all together at school. It's been an absolute pleasure seeing so many students return to school for physical lessons. We missed you all very much!

To the best of our knowledge, ACE schools are the only schools that are offering the dual method of education at this time. We would like to ask for your patience and understanding with the implementation of our dual classes.

We are extremely proud of the fact that we are providing simultaneous education to students in school and at home. It is not easy to ensure that all the technology cooperates with us at all times but I can assure you that we are doing our best to resolve the issues.

Thank you to everyone for abiding by the SOPs. As a school, we are ensuring that staff and teachers follow them to the letter. We realise that it is not always easy to abide by them but it is for everyone's safety.

ACE INTERNATIONAL ACADEMY

Please take note of the following:

MANNERS

Please remind your child(ren) to display manners such as greeting staff, staying back from a doorway to let older people enter and to say Please and Thank You. They cost nothing but they make a world of difference.

Requests for students to attend physical classes only

We have received a number of requests for this to be permitted. Even though we would love to be able to have all students attend physical classes all the time, we need to abide by the SOPs with respect to social distancing. We ask that you understand the situation from our perspective and that we are unable to accommodate everybody at the same time.

School Uniform

Please ensure that your child attends school wearing the proper school uniform. We are encountering numerous instances of students not wearing black shoes and girls not tying up their hair.

School Timing:

Please adhere to the drop off and collection time of your child(ren). It is essential for all students to be at school by 7:55 and that they be collected at the proper time. Owing to the SOPs, we do not have a late room or staff that can supervise the students after school. Your assistance in this matter is highly appreciated.
