## We are all in this together

*THANK YOU! We are very pleased to see the compliance by all our stakeholders to the measures put in place by the school.*

We are pleased to inform you that we have tested all our Primary Section staff as well as the auxiliary staff at school and all the test results have returned as being negative. Our aim is to ensure the health and safety of all concerned. Please be reminded of the precautions that need to be taken in order to minimize the possibility of contracting the virus.

## Online Lessons

**We are very proud to be the forerunner in providing dual physical/online lessons.**

Please be reminded that we are dealing with technology and anything can go awry at any moment. Some of the incidents such as power outages, connectivity, illness etc are not always within our control. We request you to be patient and bear with us. Our technical staff attend to the problems as and when they arise. Where a lesson(s) have been missed, we assure you that we will endeavor to make those lessons up.

## Primary Sections return to school

Please be reminded that we will resume physical lessons for Primary students from Monday, 19 October 2020. As per the earlier communiqué, Group A is scheduled to return to school on Monday for physical lessons whilst Group B will be taking online lessons at home on Monday

## Future Plans

You will be pleased to note that we are investigating the possibility of lengthening the school day for physical lessons, re-introducing transporting of the students (following strict adherence to the SOPs and also reintroducing the lunch service. We will keep you informed of the progress.

## Winter Break

For those of you wanting to make plans for the above period, please note that school will close on 18 December 2020 and the first day back will be on 11 January 2021.

## Cold and Flu Season

As the Cold and Flu season is upon us, please be reminded not to send your child to school if they are ill. Everyone is on edge with the spread of the Corona Virus and we do not want to exacerbate the situation.

Regards
