

ACE

INTERNATIONAL ACADEMY

27 September 2020

Dear Parents,

As we prepare for the reopening of school for Playgroup to Year 6 students, the following:

Online classes for Playgroup to Year 6 will not be conducted tomorrow, Monday 28/9 and Tuesday 29/9 as the respective members of faculty will be required at the school to prepare adequately for the SOPs.

As mentioned previously, we are going to be following a blended approach. The Secondary Classes have been following it for over a week and it is proving to be successful with them. We request all parents and students to consider the first week of the Dual Classes as the trial week in which we may run into challenges for the online streaming of classes. We are optimistic that we will have minimal glitches. In case of any repeated challenges during the week, we have already developed Model 2 of Dual Classes that we will adopt if need be.

We will resend the Reopening Booklet sent electronically a few weeks back to refresh your memories of the procedures to be followed.

- Students in each class will be divided into 2 groups namely A and B. This has been done in order to comply with the Social Distancing requirements.
- Group A students will attend on 1 day and Group B students will attend school on the following day and so, the students will attend in-school classes on alternate days.
- On the day that students from Group A in all sections are attending in-school classes, students in Group B will attend online lessons of the same lesson from home.
- The Group A and Group B lists will be forwarded to you on Monday, 28 September 2020.
- If as a parent, you wish your child to receive online classes only, they need to attend the lessons online when their sections are in-class and online.
- Students in sections Blue and Green will attend classes on the same day and students in sections Red and Yellow will attend classes on the alternative days. A schedule will be sent to you in due course.
- Please be reminded that as per SOPs, the school cafeteria will not be open. Students are requested to bring their own snacks and refreshments.
- Please speak to your child(ren) about the SOPs and ask them to follow them at all times, not only for their own safety but for the safety of all of us.
